To attention of
Mr. Jaroslav POLAČEK
Mayor of the city Košice

Dear Mr. Mayor!
Dear friends!

As a result of the insidious attack of the Russian army, our lives have changed dramatically. The Transcarpathian region and the city of Uzhhorod have in recent days taken care of about 12,000 of our fellow citizens who became refugees and left their homes due to the bombing and attack by the Russian army. It is our civil duty to make their stay here as acceptable and comfortable as possible in order to survive this terrible war together.

We ask you to support and help the city in this difficult time. All humanitarian assistance will be directed to our people suffering from the impact of Russia's invasion.

The list of necessary:

- beds
- sleeping bags
- medical devices/first aid kit
- blankets, pillows and bed linen
- personal hygiene products
- detergents
- disposable tableware
- heaters
- durable food sets

We ask you to send humanitarian aid to the address of Uzhhorod City Council - Poshtova Sq., 3, Uzhhorod, 88000, Ukraine.

Please, inform us about the possibility of your city to take in temporary refugees from the war - mothers with children and the elderly people.

To provide financial assistance, please, find attached the details of the foreign currency account of the Executive Committee of Uzhhorod City Council.
